

How will my reports and certificates be sent when they are completed?

All reports are sent via electronic attachments to applicants and the jurisdictions. The applicant should be certain to up-date the FCCPT with any changes to their e-mail address. If the applicant wishes to have these sent in a track-able form, the applicant may submit a Federal Express Account Number and we will send them via FedEx, and will send a tracking number to the applicant when it is sent.

Please send a fax (703-684-8715) or an email help@fccpt.org with the account number and intended use for the account.
