

Report of Evaluation of Educational Credentials

File Number:	File Number
Name:	Applicant Name
Country of Education:	Philippines
Date:	Date
Prepared For:	Prepared for
Purpose of Evaluation:	PT Licensure
CWT Version:	CWT5
Equivalency:	Not equivalent
US Standard:	Masters

ADVISORY STATEMENT

This report reflects the opinion of FCCPT on the applicant's educational equivalence and is intended as an advisory report only. Each entity or individual utilizing this report is advised to reach its own conclusion in taking actions regarding the opinion expressed in this report and the educational credentials that were relied upon for this report.

IDENTIFIED CONTENT DEFICIENCIES

PROFESSIONAL EDUCATION	Required Content Not Identified
Clinical Education	Two Clinical Internships, total 800 hours
F. Related Professional Course Work	Cultural Competency; Consultation; Screening; Delegation

Applicant Name

CREDIT HOUR SUMMARY

Area Totals	Hours / Credits	Minimum Hours/Credits	Credit Deficiency
General Education	71.25 Credits	0.00 Credits	0.00 Credits
Professional Education	116.25 Credits	90.00 Credits	0.00 Credits
Clinical Education	1600.00 Hours / 0.00 Credits	800.00 Hours / 0.00 Credits	0.00 Hours / 0.00 Credits
Appendix B	14.25 Credits	0.00 Credits	0.00 Credits
Total Credits	1600.00 Hours / 201.75 Credits	90.00 Credits	0.00 Hours / 0.00 Credits

LICENSURE INFORMATION

Country:	Philippines
Authority:	Professional Regulation Commission
Professional Practice & Licensure:	Physical Therapists must pass a qualifying examination to be licensed. The license authority has verified that the applicant was initially licensed on the issue date listed below. The license is valid until the expiration date listed below.
Issue Date:	February 22, 2013
Expiration Date:	November 14, 2019

EDUCATION INFORMATION

FCCPT Course Work Evaluation Checklist CWT5

Name: Applicant Name	File Number: File Number
Date: Date	Country: Philippines
School(s): Pamantasan ng Lungsod ng Maynila (PL)	2005-2009
Saint Jude College	2008-2010
Philippine Rehabilitation Institute Foundation	2016-2016
Degree(s): Bachelor of Science in Physical Therapy	October 12, 2010
Reviewing Organization: Foreign Credentialing Commission on Physical Therapy	
Reviewers: FCCPT – Staff and Contract Reviewers	
Signature of Issuing Organization's Authorized Representative: 	
Print Name and Title: Jaime Nolan, Assistant Director of FCCPT	
Note for reviewing organizations: Please affix official organizational seal to each page of the Evaluation Checklist for authentication purposes.	

I. GENERAL EDUCATION

A. Humanities One course minimum.	CREDIT HOURS	TRANSCRIPT REFERENCE
1. English (see note)	4.50	English Proficiency Instruction (PL); English Proficiency Instruction II (PL)
2. English Composition (see note)		
3. Speech or Oral Communication		
4. Foreign Language (other than Native Language)	4.50	Foreign Language 1; Foreign Language 2
5. Literature	2.25	World Literature (PL)
6. Art	2.25	Art, Man and Society (PL)
7. Music		
8. Native Language	9.00	Pagbasa't Pagsulat sa Iba't Ibang Disiplina (PL); Panitikan ng Pilipinas (PL); Rhetoric (PL); Sining ng Komunikasyon (PL)
Humanities Subtotal:	22.50	
Note: For rows 1 & 2, if no credit in English or English composition is provided, the licensing jurisdiction should require the applicant to demonstrate English proficiency.		

B. Physical Sciences One semester course in chemistry with laboratory and one semester course in physics with laboratory are required.	CREDIT HOURS	TRANSCRIPT REFERENCE
1. Chemistry with Laboratory*	7.50	General Chemistry I (PL); General Chemistry II lec/lab (PL)
2. Physics with Laboratory*	6.00	General Physics I lec/lab (PL); General Physics II lec/lab (PL)
3. Geology		
4. Astronomy		
5. Natural Science	2.25	Fundamentals of Science II (PL)
Physical Sciences Subtotal:	15.75	
* One year of chemistry & physics preferred		

C. Biological Sciences One course minimum.	CREDIT HOURS	TRANSCRIPT REFERENCE
1. Biology	2.25	Fundamentals of Science I (PL)
2. Anatomy*	6.00	Comparative Anatomy; CPT 120 – Introduction to Human Anatomy and Physiology (PL)
3. Physiology*		
4. Zoology		
5. Kinesiology		
6. Neuroscience		
7. Genetics		
Biological Sciences Subtotal:	8.25	
* One year of anatomy & physiology preferred		

D. Social Sciences One course minimum.	CREDIT HOURS	TRANSCRIPT REFERENCE
1. History	4.50	Ang Buhay at mga Sinlat ni Dr. Jose Rizal (PL); Philippine History and Government (PL)
2. Geography		
3. Sociology		
4. Economics		
5. Religion		
6. Political Science	2.25	Social, Economic and Political Thought (PL)
7. Business	2.25	Personal Financial Management (PL)

Social Sciences Subtotal:	9.00	
---------------------------	------	--

E. Behavioral Sciences One course minimum.	CREDIT HOURS	TRANSCRIPT REFERENCE
1. Psychology*	2.25	Foundation of Behavioral Sciences (PL)
2. Anthropology		
3. Philosophy	4.50	Introduction to Philosophy and Ethics (PL); Logic and Scientific Methods (PL)
4. Ethics		
Behavioral Sciences Subtotal:	6.75	
* required		

F. Mathematics One course minimum.	CREDIT HOURS	TRANSCRIPT REFERENCE
1. Statistics	2.25	Basic Statistics w/Biostatistics
2. Algebra	2.25	College Algebra (PL)
3. Pre-Calculus		
4. Calculus		
5. Trigonometry	2.25	College Trigonometry (PL)
6. Geometry		
7. Computer	2.25	Basic Computer Concepts
Mathematics Subtotal:	9.00	

Total General Education Credits: 71.25

II. PROFESSIONAL EDUCATION

A. Basic Health Science Must include but not limited to areas 1–5.	CREDIT HOURS	TRANSCRIPT REFERENCE	JUSTIFICATION
1. Human Anatomy (Specific to Physical Therapy)	6.00	CPT131 Anatomy Lec/Lab (PL); CPT 121 Organ System- Anatomy and Physiology Lab (PL)	Official University Transcripts and Course Descriptions
2. Human Physiology (Specific to Physical Therapy)	6.75	CPT 132 Physiology I Lec/Lab (PL); CPT 138 Physiology II Lec/Lab (PL)	

3. Neuroscience (Neuroanatomy or Neurophysiology)	3.75	CPT 137 Neuroanatomy Lec/lab (PL)
4. Kinesiology or Functional Anatomy	4.50	CPT 130 Kinesiology Lec/lab (PL)
5. Pathology	2.25	CPT 156 Pathology/Microbiology (PL)
Basic Health Science Subtotal:	23.25	

B. Medical Science Clinical medicine pertinent to physical therapy. This must include but is not limited to 1–7.	CREDIT HOURS	TRANSCRIPT REFERENCE	JUSTIFICATION
1. Neurology	2.25	CPT 143 Medical and Surgical Conditions II (PL)	Official University Transcripts and Course Descriptions
2. Orthopedics	3.75	CPT 146 Medical and surgical Conditions III (PL)	
3. Pediatrics	2.25	Human Growth and Development; Evidence Found In: CPT 142 Med Surg I (see B5); CPT 153 Ther Ex III (see D3); CPT 157 Test Evaluation Procedures II (see C2)	
4. Geriatrics	Evidence Found In	CPT 142 Med Surg I (see B5)	
5. Cardiopulmonary	3.75	CPT 142 Medical and Surgical conditions I (PL)	
6. Pharmacology	1.50	CPT 161 Pharmacology in Rehabilitation (PL)	
7. General Medical Surgical/Metabolic Conditions	Evidence Found In	CPT 142 Med Surg I (see B5)	
Medical Science Subtotal:	13.50		

C. Clinical Science: Examination & Evaluation Physical Therapy course work must include but is not limited to 1a–5b.	CREDIT HOURS	TRANSCRIPT REFERENCE	JUSTIFICATION
1a. Integumentary System: Examination	Evidence Found In	CPT 134 Thermal Agents, Hydrotherapy and Massage (see D5); CPT 146 Med Surg III (see B2); CPT 155 Seminar II (see F4)	Official University Transcripts and Course Descriptions
1b. Integumentary System: Evaluation	Evidence Found In	CPT 146 Med Surg III (see B2); CPT 155 Seminar II (see F4)	
2a. Musculoskeletal System: Examination	6.00	CPT 127 Test Evaluation Procedures I Lec/lab (PL); CPT 157 Test Evaluation Procedures II Lec/Lab (PL); Evidence Found In: CPT 155 Seminar II (see F4)	
2b. Musculoskeletal System: Evaluation	Evidence Found In	CPT 127 (see C2a); CPT 157 (see C2a); CPT 155 (see F4)	
3a. Neuromuscular System: Examination	Evidence Found In	CPT 152 Seminar I (see F4); CPT 157 Test Evaluation Procedures II (see C2)	
3b. Neuromuscular System: Evaluation	Evidence Found In	CPT 157 (see C3a); CPT 152 (see F4)	
4a. Cardiopulmonary System: Examination	Evidence Found In	CPT 152 Seminar I (see F4); CPT 157 Test Evaluation Procedures II (see C2)	
4b. Cardiopulmonary System: Evaluation	Evidence Found In	CPT 157 (see C3a); CPT 152 (see F4)	
5a. Metabolic Problems: Examination	Evidence Found In	CPT 142 Med Surg I (see B5); CPT 152 Seminar I (see F4)	
5b. Metabolic Problems: Evaluation	Evidence Found In	CPT 142 Med Surg I (see B5); CPT 152 Seminar I (see F4)	
Clinical Science: Examination & Evaluation Subtotal:	6.00		

Examination and Evaluation Content Area Summary

Note: Within the credit hours assigned in Clinical Science: Examination & Evaluation above, indicate on the examination and evaluation content area summary below, content for which you found evidence for items 1-23.		TRANSCRIPT REFERENCE
1. Aerobic Capacity	Present	CPT 157
2. Anthropometric characteristics	Present	CPT 148; CPT 157
3. Arousal, mentation, and cognition	Present	CPT 157
4. Assistive and adaptive devices	Present	CPT 147
5. Community and work (job, school, or play) reintegration	Present	CPT 127
6. Cranial nerve integrity	Present	CPT 148
7. Environmental, home, and work barriers	Present	CPT 127
8. Ergonomics and body mechanics	Present	CPT 125
9. Gait, assisted locomotion, and balance	Present	CPT 127; CPT 157
10. Integumentary integrity	Present	CPT 155
11. Joint integrity and mobility	Present	CPT 157
12. Motor function	Present	CPT 157
13. Muscle performance (including strength, power, and endurance)	Present	CPT 127; CPT 157
14. Neuromotor development and sensory integration	Present	CPT 148; CPT 153
15. Orthotic, protective, and supportive devices	Present	CPT 150
16. Pain	Present	CPT 157
17. Posture	Present	CPT 127; 141; CPT 157
18. Prosthetic requirements	Present	CPT 150
19. Range of motion	Present	CPT 127; CPT 157
20. Reflex integrity	Present	CPT 148; CPT 153; CPT 157
21. Self-care and home management (including ADL & IADL)	Present	CPT 148; CPT 157
22. Sensory integration (including proprioception and kinesthesia)	Present	CPT 157
23. Ventilation, respiration, and circulation	Present	CPT 148
Adapted from: <i>Evaluative Criteria for Accreditation of Education Programs for the Preparation of Physical Therapists</i> . Commission on Accreditation in Physical Therapy Education; 1996; p.29.		

D. Clinical Science: Interventions Must include but not limited to areas 1–4.	CREDIT HOURS	TRANSCRIPT REFERENCE	JUSTIFICATION
1. Integumentary Interventions	Evidence Found In	CPT 125 Intro to Patient Care (see F1); CPT 134 Thermal Agents, Hydrotherapy and Massage (see D5); CPT 146 Med Surg III (see B2); CPT 155 Seminar II (see F4)	Official University Transcripts and Course Descriptions
2. Musculoskeletal Interventions	9.75	CPT 147 Therapeutic Exercises II Lec/lab (PL); CPT 141 Therapeutic Exercise I Lec/Lab (PL); CPT 150 Orthotics and Prosthetics Lec/Lab (PL); Evidence Found In: CPT 134 (D5)	
3. Neuromuscular Interventions	3.75	CPT 153 Therapeutic Exercises III lec/lab (PL)	
4. Cardiopulmonary Interventions	Evidence Found In	CPT 147 Ther Ex II (see D2); CPT 148 Clinical Education (See F4)	
5. Physical Agents/Electro	7.50	CPT 133 PT III Electrotherapy Lec/Lab (PL); CPT 128 Electrotherapy Lec (PL); CPT 134 Thermal Agents, Hydrotherapy and Massage Lec/Lab (PL)	
Clinical Science: Interventions Subtotal:	21.00		

Intervention Content Area Summary

Note: Within the credit hours assigned above, indicate on the intervention content area summary below, content for which you found evidence for items 1–10.		TRANSCRIPT REFERENCE
1. Airway clearance techniques	Present	CPT 147
2. Debridement and wound care	Present	CPT 125; CPT 134; CPT 146
3. Electrotherapeutic modalities	Present	CPT 133
4. Functional training in community work (job, school, or play), reintegration (including IADL, work	Absent	

5. Functional training in self-care and home management (including ADL and IADL)	Present	CPT 148
6. Manual therapy techniques	Present	CPT 134
7. Patient-related instruction	Present	CPT 147; CPT 125 Introduction to Patient Care (PL)
8. Physical agents and mechanical modalities	Present	CPT 134
9. Prescription, application, and as appropriate, fabrication of assistive, adaptive, orthotic, prot	Present	CPT 150
10. Therapeutic exercise (including aerobic conditioning)	Present	CPT 141; CPT 147
Adapted from: <i>Evaluative Criteria for Accreditation of Education Programs for the Preparation of Physical Therapists</i> . Commission on Accreditation in Physical Therapy Education; 1996; p.30.		

E. Clinical Education	CREDIT HOURS**	TRANSCRIPT REFERENCE	JUSTIFICATION
Two Clinical Internships, total 800 hours	22.50	Clinical Internship (30 units)	Official University Transcripts and Course Descriptions
Excess Clinical Hours			
Clinical Education Subtotal:	22.50		
Note: Clinical education must include physical therapist-supervised application of physical therapy theory, examination, evaluation, and intervention. The applicant must have a minimum of two (2) full time clinical internships of no less than 800 total that are supervised by a physical therapist. **Maximum number of full time clinical education credits is 23.			

F. Related Professional Course Work Must include but not limited to areas 1–12.	CREDIT HOURS	TRANSCRIPT REFERENCE	JUSTIFICATION
1. Professional Behaviors	4.50	CPT 122 PT Perspective (PL); CPT 125 Introduction to Patient Care (PL)	Official University Transcripts and Course Descriptions
2. Administration	1.50	CPT 149 Organization and Administration (PL)	
3. Community Health	Evidence Found In	CPT 147 Ther Ex II (see D2)	
4. Research and Clinical Decision Making	17.25	Board Review in PT 1; Board Review in PT 2-Seminar 4 in PT; CPT 155 Seminar II (PL); CPT 159 Research Health	

		Science I (PL); Research Implementation/Presentation; Clinical Education 1 in PT; Clinical Education 2 in PT; CPT 152 Seminar I (PL); CPT 162 Research Health Science II (PL)
5. Educational Techniques	Evidence Found In	CPT 125 Intro to Patient Care (see F1); CPT 147 (see D2)
6. Medical Terminology	Evidence Found In	throughout the curriculum
7. Communication (related to client/patient care)	Evidence Found In	CPT 125 Intro to Patient Care (see F1); CPT 157 Test Evaluation Procedures II (see C2)
8. Legal and Ethical Aspects of Physical Therapy Practice	2.25	Character Education and Professional Ethics (PL); Evidence Found In: CPT 149 Organization and Administration (see F2)
9. Psychosocial Aspects in Physical Therapy Practice	2.25	CPT 129 Psychiatry (PL); Evidence Found In: Human Growth and Development (see B3)
10. Emergency Procedures	2.25	Emergency Procedures (PRI); Evidence Found In: CPT 125 Intro to Patient Care (see F1)
11. Cultural Competency		No Evidence Found
12a. Consultation, Screening & Delegation: Consultation		No Evidence Found
12b. Consultation, Screening & Delegation: Screening		No Evidence Found
12c. Consultation, Screening & Delegation: Delegation		No Evidence Found
Related Course Work Subtotal:	34.50	

Total Professional Education Credits (90 minimum): 120.75

III. ACADEMIC INSTITUTION

A. Describe the academic level of the educational program and the institution within the context of the country's educational system:
1. Status (recognition or accreditation) within the country's educational system:
Commission on Higher Education
2. Entry requirements (secondary education):
High school diploma and university entrance exam
3. Degree equivalence (Baccalaureate, etc.):
This education does satisfy the minimum number of 150 semester credits that is required for a U.S. Master's degree.
The curriculum is not substantially equivalent in content to the first professional physical therapy degree in the United States. The first professional degree in the U.S. is the Master's degree or higher.
4. Other (CAPTE accreditation, etc.):

IV. SUMMARY

Total General Education Credits:	71.25
Total Professional Education Credits (90 minimum):	120.75
Total Credits from Appendix B:	14.25
Total Credits (150 minimum):	206.25

**APPENDIX A
COURSES NOT USED AND NOT CREDITED ON CWT**

A. Grade Equivalent Below C, Grades Noted with U.S. Equivalent

YEAR	TRANSCRIPT REFERENCE	CREDITS	GRADE ISSUED
	CPT 148 Clinical Education Lec/Lab (PL)	1.50	
(not included in total credits) A. Subtotal		(1.50)	

B. General Education Courses Failed and Not Repeated¹

YEAR	TRANSCRIPT REFERENCE	CREDITS	GRADE ISSUED
(not included in total credits) B. Subtotal		(0.00)	

1. Credits for courses that have been attempted, but failed do not count toward the total number of hours for graduation, unless the course is subsequently retaken and passed.

C. Courses Repeated for Credit²

YEAR	TRANSCRIPT REFERENCE	CREDITS	GRADE ISSUED
(not included in total credits) C. Subtotal		(0.00)	

2. Credits for courses that have been passed once and later retaken to earn a better grade will only be counted once toward the totals for graduation and general education or professional education.

D. Remedial Course Work³

YEAR	TRANSCRIPT REFERENCE	CREDITS	GRADE ISSUED
(not included in total credits) D. Subtotal		(0.00)	

3. Credits for courses that appear on a higher education transcript but were remedial in nature and cannot count toward the requirements for a degree.

**APPENDIX B
COURSES NOT USED, BUT CREDITED IN TOTAL**

A. Courses without Course Descriptions

YEAR	TRANSCRIPT REFERENCE	CREDITS
	Med 004 Med Surgical Conditions, Orthopedics	3.75
A. Subtotal		3.75

B. Courses Not Awarded as General Education

YEAR	TRANSCRIPT REFERENCE	CREDITS
	PE11 (PL), PE12F (PL); PED13C (PL)	4.50
	NSTP1 (PL); NSTP 2 (PL)	4.50
	PED 12E (PL)	1.50
B. Subtotal		10.50

C. Courses Not Awarded as Entry-level Physical Therapy

YEAR	TRANSCRIPT REFERENCE	CREDITS
C. Subtotal		0.00
